

Appendix 1	Process mapping framework
Appendix 2	Process mapping thematic analysis classifications
Appendix 3	Project report template
Appendix 4	Data collection and management guide
Appendix 5	Client focus group report
Appendix 6	Carer focus group report
Appendix 7	Health Service Provider focus group report
Appendix 8	Community focus group report
Appendix 9	Key informants interviewed
Appendix 10	Key informant definitions of ratings
Appendix 11	Development of Client Information Questionnaire data sources
Appendix 12	Non-Indigenous Client Information Questionnaire
Appendix 13	Background information and rationale for the Stanford 2000
Appendix 14	Background information and rationale for the Kessler 10
Appendix 15	Background information and rationale for the Satisfaction with Life scale
Appendix 16	Non-Indigenous Client Health Questionnaire
Appendix 17	Non-Indigenous Client Service Use Questionnaire
Appendix 18	Pika Wiya Client Information Questionnaire
Appendix 19	Northern Territory Client Information Questionnaire (Kalkaringi and Lajamanu)
Appendix 20	Pika Wiya Client Health Questionnaire
Appendix 21	Northern Territory Client Health Questionnaire (Kalkaringi and Lajamanu)
Appendix 22	Pika Wiya Client Service Use Questionnaire
Appendix 23	Northern Territory Client Service Use Questionnaire
Appendix 24	Client Intervention Schedule
Appendix 25	Non-Indigenous process mapping thematic analysis
Appendix 26	Summary of project reports

- Appendix 27** Full analysis of effect sizes associated with changes over time in non-Indigenous DPs
- Appendix 28** Full results of the ANCOVA for change in health over time by Intervention Model
- Appendix 29** Factors which predict changes in health status over time for non-Indigenous DPs
- Appendix 30** Indigenous process mapping thematic analysis
- Appendix 31** Non significant results for the Indigenous DPs
- Appendix 32** Indigenous baseline demographic relationships and correlations between health variables
